

WERFAGO

Promoter: Mr D Johnson, 35 Woodland Gardens, Isleworth, TW7 6LN

March 2018

To all Residents of the Woodland Estate, Friends and supporters.

As you may know **WERFAGO** is a monthly prize draw which, besides paying cash prizes every month, also provides a valuable source of income to benefit the community by helping with the upkeep of the Pavilion, Park and the Association's other activities.

We would like to thank all of you who joined the scheme last year and we look forward to your continued support. We would also like to welcome new subscribers because in order to provide prizes at the present level we need to sell 80 tickets or more.

The price of a ticket for the year – that is for 12 monthly draws – is only £12 payable in advance, and providing that sufficient tickets are sold the first draw will take place in May. The prizes for the first draw will be £30 and £10. Prizes in the following months, if different, will be announced in WERFA News and will depend on the number of tickets sold.

We ask you to please make WERFAGO as successful in 2018/2019 as it has been in the past by completing and returning the slip below. Thank you for your support.

Yours sincerely,

D Johnson
Promoter
